

Are you looking for a community service project that will really make a difference?

Kicks For Kids is for you!

Why Shoes?

Shoes are always our greatest need! Clothes To Kids of Denver provides a pair of new or gently used shoes to every student who visits our boutique. We serve more than 10,000 students annually and need your help to make sure we can meet the growing demand!

Kicks For Kids Shoe Drive Guidelines

- Shoes must be new or gently used (clean and ready to wear with no holes or serious damage). If you wouldn't give them to a friend, please don't give them to us!
- Shoes should be in good condition and suitable for school. Our most popular styles are athletic shoes (tennis, basketball, running, skate, etc.), slip-ons (i.e. Vans), canvas (i.e. Converse or Toms) flats, boots (all types) and black uniform shoes. No flip-flops, please!
- We accept shoes kids size 8T to adult size 17. Our most needed sizes are for elementary school age children (kids size 10-size 5 youth), but all sizes are welcome.
- Donations are welcome year-round, so pick a time of year that is right for your group. We close for inventory at the end of each year, so please just plan to have all donations turned in to Clothes To Kids by mid-December. Please schedule a drop off time so that we know when to expect you.

Sign up to hold a Kicks For Kids shoe drive by emailing Eileen Robinson at volunteer@clothestokidsdenver.org. Thank you for your support!

About Clothes To Kids of Denver

Clothes To Kids of Denver proudly provides new and quality used clothing to students ages 3-21 from low-income or in-crisis families in the Denver Metro Area, free of charge. Shoppers select clothing in an inviting, store-like setting. Your support will help Clothes to Kids continue to provide much needed clothing to kids throughout the Metro Denver community.

Each student visiting our boutique selects:

- *5 outfits
- *5 pairs each of new underwear & socks
- *1 bra (optional)
- *1 pair of shoes
- *1 jacket

For more information or to donate clothing, please visit
