

2024 ANNUAL REPORT

Clothes  Kids
of Denver

Clothe a Child – Change a Life

Dear Friends,

Having completed my first full year as executive director at Clothes To Kids of Denver, my perspective on the organization and our community has come into sharper focus. And while I am not a painter myself, I'd like to use an art metaphor to capture the impact we've made in 2024.

To paint a picture of our year, let's start with the numbers:

- Denver area students in need received **13,950 wardrobes** (9% more than 2023) for a total of ~118,000 wardrobes since we opened our doors in 2008.
- Shoppers took home **290,000 clothing items** (and an additional ~40,000 pounds of extras), bringing the total provided since 2008 to more than 2.5 million pieces of clothing.
- **380 volunteers** (including 151 new volunteers) served 9,300+ hours. 70 groups from local businesses and civic organizations gave time at our store.
- Record-breaking revenue contributed by **750+ generous benefactors** (see charts below as well as all of the names listed in this report).

But these figures only outline the picture on the canvas. The real impact of our organization comes to life when we hear from the shoppers whose students visited the boutique. To paint a more vibrant picture, the comments below illustrate the impact of our organization:

My children and I are completely grateful, to you and to the people who donate the clothes, which are very useful for our children! Thanks to the entire team who are so kind, respectful, and attentive. Thank you and blessings. (translated from Spanish).

The people [are] so nice to my kids. My kids had a sense of independence being able to choose their clothes.

What I like about shopping at CTK is you are treated with respect no one judges. Also you get the choice to choose what your children would wear and also have a shoe section. I would recommend it to anyone in need of help for their children. It's the best place to get help.

In addition to the heartfelt and inspiring comments from our shoppers, the colorful pages of this report highlight the many individuals, groups, foundations and businesses who graciously shared their resources with Clothes To Kids of Denver in 2024. We are truly indebted to each and every name listed here as we strive to fulfill our tagline, *Clothe a Child, Change a Life*.

We look forward to the picture we will paint – together – in the years to come!

Kathleen Phillips
