Students who shop at Clothes To Kids of Denver are experiencing some of the most difficult circumstances imaginable – poverty, homelessness, displacement and home removal. School performance can suffer drastically for kids without access to basic needs, especially clothing. Studies show that students with appropriate clothing are more likely to attend school, focus on academics, participate in activities and fit in with peers.

Since 2008, Clothes To Kids of Denver has provided new and quality used clothing **free of charge** to more than 140,000 Denver area students in need or in crisis. Students aged 3-21 can make an appointment to shop in our welcoming store-like environment and receive personalized service from our staff and volunteers. When in the store, students select a week's worth of clothing ("wardrobe") and can come back every four months as they outgrow their clothes and seasons change. Each wardrobe enhances the student's sense of dignity and helps pave a path for academic success.

Please help us make a difference in the lives of Denver-area students in need by sponsoring our **2026 BLUE JEAN BASH!** See below for information on Sponsorship Opportunities or contact Erin Martin, Development Director, at 303-246-6046 or erin@clothestokidsdenver.org.

**Thank you for making an impact on the lives of Denver-area students in need!**
